

UCLA Healthy Campus Initiative Intercept Survey

Instructions: Select at least 1 GSR member to ask participants for their feedback during the event/program. The GSR should randomly ask attendees (e.g. every 10th person) if they are willing to respond to a brief survey about their experience at the event/program. Participants should be informed that the survey is voluntary and that they may skip questions or withdraw at any time. They should also be told that the survey will not involve the collection of any personal identifiers and that their responses will only be used to evaluate the effects of HCI events/programs. The GSR will ask willing participants the survey questions and write down their responses.
